Centers of Expertise

AR 190-13:

HQUSACE will ... maintain centers of expertise for protective design and for IDS to provide assistance to all Army elements...

ER 1110-1-8158:

...have unique or exceptional technical capability in a specialized subject area that is critical to other USACE commands.

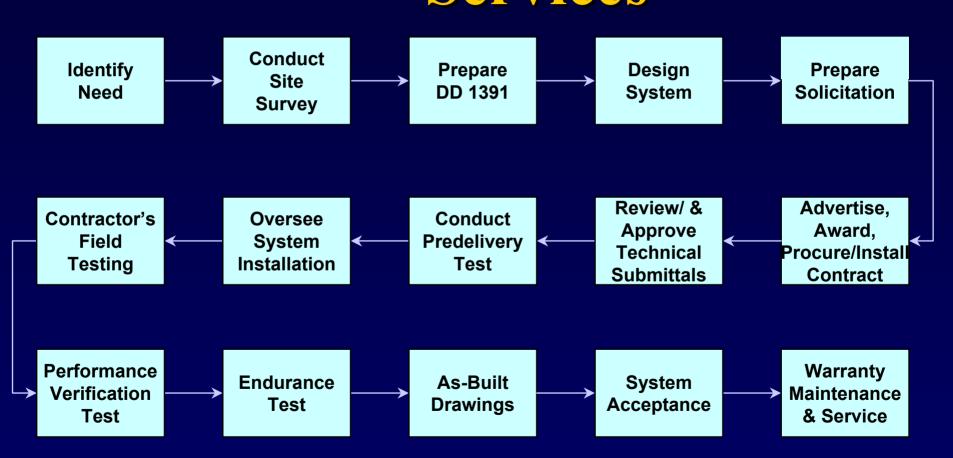

What the Electronic Technology Systems Center Provides

- ESS & UMCS Expertise (In-house / Contractor)
- Life Cycle Support (HNC / Districts)
- Scope Definition
- Conduct Site Surveys
- Perform Designs
- Procurement / Installation
- Maintenance
- Monitoring

"Cradle to Grave" Services

Benefits of Using the Electronic Technology Systems Center

- Cradle-to-Grave Service
- Proper Scope meets requirements at lowest cost
- Latest Technology Properly Applied
- On-board contractors result in quick execution
- Local Support by District personnel
